

POWER WRAP

HIGH PERFORMANCE MACHINE GRADE STRETCH FILM

APPLICATIONS

- General Packaging
- Palletizing/ Unitizing
- Long-term storage

INDUSTRIES

- Distribution
- Food Processing
- Manufacturing

MACHINE WRAP SAVINGS OF UP TO 20%!

ITEM	DESCRIPTION	UOM	PACKED
HB.47293.0	20" x 12,000' GX60 Hi-Performance Cast Machine Power Wrap	Roll	40 rolls/pallet
HB.47295.0	20" x 9,500' GX70 Hi-Performance Cast Machine Power Wrap	Roll	40 rolls/pallet

GX60

- Superior load containment and the highest ultimate stretch available while further reducing gauge
- Most consistent stretch force application in the industry
- Remarkable clarity with a high gloss finish
- Our GX wrap is the most sustainable choice in the market

GX70

- High performance stretch film for heavier demanding applications
- Offers high pre-stretch levels with adjustable load containment for a variety of demanding applications
- Manufactured on state of the art cast extrusion lines
- High clarity and cling
